Travel Rate: Our travel rate is set at \$0.55 per kilometer (or equivalent distance unit) traveled. This rate accounts for fuel, vehicle maintenance, and travel time.

Calculation: The total travel cost will be calculated based on the round-trip distance between our base location and the client's designated venue or location.

Estimates: Before finalizing any appointment, we will provide clients with an estimated travel expense based on the distance to be covered. This way, you have a clear understanding of the costs involved.

Inclusive Services: For clients within a specific radius from our base location, travel expenses may be included in certain service packages. Please inquire during the initial consultation to check if your location qualifies for inclusive travel.

Travel Expense Payment: Travel expenses will be added to the total bill and provided in the final invoice. Clients are kindly requested to cover travel expenses along with the service fees.

Cancellation Policy: In case of appointment cancellations or rescheduling, we request clients to notify us as soon as possible. For appointments canceled within a specific time frame (e.g., 24 hours before the scheduled time), travel expenses may still apply.

Note: We strive to optimize travel routes and minimize costs for our clients while maintaining the highest level of service quality.
